## Billy Blue College Of Design Scholarship Brief 2010

Through providing a vibrant learning environment, students can experiment and investigate their expressive and personal potential as a young design professional.

Billy Blue College of Design prepares you for a future as a design professional and equips you with the ideas, skills, contacts and opportunities you need to embark on a successful career. However, all that isn't possible without your enthusiasm and passion, and being able to visualise your future.

So, before you get overwhelmed, start small, take a minute to think about your future at Billy Blue.

- Who are your colleagues?
- What does Billy Blue College of Design look and feel like?
- How does your future feel to you?
- What color is it?
- Why do you want to study at Billy Blue?

Now take a leap and visualise these elements as you wish, with as much creative license as you desire, using a maximum of three of the choices below:

### Picture Yourself on a:

- A3 Poster image
- Drawing/illustration
- Typography or word image
- Graphic novel page or story board
- T-Shirt graphic
- Working web page or screen shots.
- Photo manipulation
- Movie or Short Film
